

Copyright Permission Form for Funeral Booklets

The University of the Virgin Islands (UVI) Libraries, in partnership with the Division of Libraries Archives & Museums (DLAM), has been awarded a National Leadership grant for digitization from the federal Institute of Museum and Library Services (IMLS). The award is given for the purpose of digitizing selected Virgin Islands material for improved access and preservation. UVI and DLAM are non-profit agencies committed to collecting and preserving resources to facilitate research and education in the Virgin Islands.

We have identified a funeral booklet, developed for your deceased family member and held by the Enid M. Baa Library, as important to genealogical research and Virgin Islands studies. We are requesting your permission to digitize and create an electronic copy of the funeral booklet for the family member listed below. This booklet will be made available for use both within the library and through the Internet. In addition, a copy of this document on CD-ROM will be made available, at no charge, to school libraries in the Territory.

A statement will be included with the electronic file to identify your rights as copyright holder.

Please indicate your permission by completing this form and signing below.
